End use of the Goods (which
materials are analyzed for which
purposes)

Archeological research, elemental analysis of artifacts

8 Country of Final Destination

Poland

We certify that we are the end user of the goods described in 5, which are to be supplied by the Supplier named in 2.

We further certify that we shall use the goods for the purposes described in 7; that the goods will not be used for any purpose connected with the research on, or the design, development, production, delivery, maintenance, dissemination or any other use of chemical, biological or nuclear weapons, rocket systems (including ballistic missile systems) or unmanned air vehicles (including cruise missile systems and drones); that the goods, or any replica of them, will not be used in any nuclear explosive activity, unsafeguarded nuclear activity or any nuclear fuel cycle activity; that they will not be re-exported or otherwise re-sold or transferred if it is known or suspected that they are intended or likely to be used for such purposes; that the goods will not be used for any other prohibited purpose; that the goods will not be re-exported or otherwise re-sold or transferred to a destination subject to a UN, EU, OSCE or U.S. embargo where that act would be in breach of the terms of that embargo; that the goods will not be re-exported or otherwise re-sold or transferred in contravention to applicable (re-) export laws and regulations; that the goods will be exclusively used for non-military, peaceful purposes.

We certify that the goods ordered from Bruker under the above-referenced order will not be re-exported, directly or indirectly, in contravention to applicable (re-)export laws and regulations.

The undersigned hereby declares that he is duly authorized to provide certifications on behalf of the above-named end user, and that the information submitted herein is true and correct.
